Vote To Merge Tree Dep't. With Public Works Divisions

Consolidation of the tree and moth departments into the board of public works was voted by the town meeting Monday night on recommendation of the special committee appointed a year ago to study the question.

In its report the committee, made up of Edmond E. Hammond, Ellsworth H. Lewis and Atty. Joseph E. Bacigalupo made several findings, concerning cooperation of departments, equipment labor and

one which read: "The investigations of the committee disclose that substantial sums of money are annually paid to the tree warden, or to an employee of the tree warden's department, for supervision and inspection of trimming of trees by the public utilities, such as the Lawrence Gas and Electric company and the New England Telephone and Telegraph company. This money was not paid in to the town treasury, but was retained by the tree warden, or the employee, as the case may be. In 1952 it appears that the tree warden was paid at least \$1,387.50 up to December 18, and that approximately \$400 more would be paid to him for further 1952 services, in

Did School Budget Get \$1400 Slash?

When the town meeting voted Monday night to delete from the school department budget an item of \$1400 which had been inserted to provide a teacher of linguistic French in the elementary grades it threw a cloud of confusion over the question.

In the opinion of Chairman Roy E. Hardy of the selectmen and members of the committee the town meeting has no jurisdiction over the school committee budget for educational purposes. It can act, however, on matters of transportation and building.

The question came up in discussing the school budget of \$500,090. Chairman Gordon L. Colquhoun of the school board explained that there was a larger increase of pupils last year than was expected, and that 2300 pupils are expected next September. Six new teachers will have to be added. C. Carleton Kimball said the increased budget was largely due to the increase in pupils. "It seems," he added, "that every new family that moves into Andover has two or three children to go into the schools."

Town Appropriates \$1,509,976, \$1 Tax Rate Increase Seen

Record appropriations of \$1,509,976.13 were voted Monday night by the annual town meeting which granted a wage increase of \$5 a week to town employees and approved \$80,000 for a Ballardvale sewerage plan, yet the effect on the tax rate may be an increase of only \$1 or it might be something less.

Chairman Roy E. Hardy of the board of assessors made this estimate on the tax rate after the meet-

ing with the explanation that the assessors had just started on their valuations of new property and could not tell for some time just what the results will be.

The 1953 appropriations included \$1,356,799.13 for departments and \$153,177 for special articles. Last year the departments got \$1,268,860.65 and the special articles \$127,771.50.

Decide Against Open Meetings

Voters at the town meeting Monday night were emphatic in their disapproval of an article that would require the selectmen, when sitting as the board of selectmen, to open their meetings to the public.

The petition for such action filed by Raymond LaRosa and others came under Article 7 and after it had been read by Town

Goodbye My Fancy

One week from tonight, the curtain will rise at Memorial auditorium on the three act comedy, "Goodbye My Fancy". The play will carry the audience through commencement weekend at a New England Womans college, where a liberal

congresswoman returns to her old school to be awarded an honorary degree. She becomes involved in a controversy, with the president and trustees of the college, over a documentary film, showing the horrors of war, which she has brought with her to show to the fresh young graduates. Further confusion is added by the presence of a wartime acquaintance, now a photographer, who has come to cover the event for his magazine.

Mrs. William Thompson heads the cast as Agatha Reed, the congresswoman, ably assisted by Albert Swenson as Dr. Merrill, the college president, Irvin Wilkinson as Mr. Griswold, chairman of the board of trustees, and John Rooks, as Matt Cole, the photographer. Mrs. John Guild, as the secretary and Mrs. Sherman Locke, as the president's daughter have impor-

tant roles in the production.

Other members of the cast include Mrs. Thomas Neil, Mrs. T. Edwin Andrew Jr., Mrs. Andrew Innes, Mrs. Phillip Winters, Mrs. Thomas Bevan, and Mrs. Richard Himmer as college students. Mrs. Walter Caswell as alumni secretary; Mrs. James Byrnes as Agatha's former roommate; Mrs. G. Edgar Best, Hal Wennick and Hartley Bailey as college professors; Charles McCullom as the telephone man; and Gordon Colquhoun and Phillip Winters as janitors.

Mrs. William Edwards is directing the play assisted by Mrs. Walter Wilson Jr. and Mrs. I. Malcolm Humphrey. While the cast has been spending hours at rehearsals, many committees have been working on properties, tickets, advertising, programs and publicity. A large group of men have been building and painting scenery and all have been working tirelessly to give the town a worthwhile production, of which the two sponsoring groups, the Boosters club and the Shawsheen Village Womans club, can be justifiably proud.

Don't forget the dates - March 19 and 20 at the Memorial auditorium!

Camp Fire Girls

All three groups of camp fire girls have been working on hand-craft articles, which they will display and sell at the March meeting of the Shawsheen PTA.

The Ocawasin group met last week at the home of Mrs. T. Edwin Andrew Jr. on Riverina rd. They have made painted flower pots and needle cases for the sale. From the group they chose Nancy Seinwerth, Cynthia Thompson and Anne Henrick to be in charge of sales.

The older girls of the Wakanka group are planning for a tea to be held Mar. 19 at the home of Mrs. Byron Weiner on Lincoln st. Anne Woodcock, Barbara Curran, Patricia Burns and Jacqueline Weiner will be the hostesses.

The Siquan group, which meets with Mrs. John Tansey on Arundel st., has been making jeweled pins and earrings for the sale.

Dramatic Dept.

The dramatic department of the Shawsheen Village Womans club has postponed its regular meeting from Mar. 20 to Mar. 27 because of

conflict with the play. The meeting will be held at the home of Mrs. Alfred Quance, 95 Central st., with Mrs. Thomas Neil in charge of the program and Mrs. Philip Costello as chairman of hostesses.

American Home Dept.

The American Home department of the club will meet at the Historical House at 2 p.m. Friday, Mar. 13. Mrs. Earl Seavy will talk on "The Use of Color and Fabric in Your Home". The hostesses will be Mrs. John Higgins, Mrs. John Mulcahy and Mrs. Robert Patterson.

Club Institute

Mrs. G. Edgar Best and Mrs. Walter Caswell, of the Shawsheen Village Womans club, Mrs. Frederick Smith of the Tuesday club and Mrs. Albert Carpentier of the Sing-Mar club attended the club institute of the Massachusetts Federation of Womans clubs in Boston last Thursday. Afterwards Mrs. Best and Mrs. Smith attended a president's round table and luncheon at club headquarters and Mrs. Carpentier served as one of the hostesses.

Personals

Mr. and Mrs. Walter Wilson Jr. of Riverina rd., spent the weekend at North Conway, N.H.

Peter Dunlop, a student at the University of New Hampshire, spent the weekend with his parents, Mr. and Mrs. Alan Dunlop of Arundel st.

Sally Guild, daughter of Mr. and Mrs. John Guild of Lowell st., is recovering from a severe cut on her forehead, sustained in a fall at her home last week.

Dreyer To Enter Honor Fraternity

William N. Dreyer, 16 Cornell rd., will be initiated into Sigma Epsilon Rho, a Northeastern university School of Business honor fraternity, Saturday, Mar. 14 at an annual dinner meeting to be held in student center building at the university.

A graduate of Northeastern, receiving a B.B.A. degree with honor in 1950, he is also a graduate of the University of Michigan in 1942 receiving his degree in aeronautical engineering.

He is a member of the National Society of Professional Engineers, Greater Lawrence Management club and Research Institute of America. Currently he is employed as a production manager by Bolta Saran, Inc., Lawrence.

WILL FILED

The will of Mrs. Ina L. White who died February 23, was filed in Probate court at Lawrence, Mar. 4 by Walter C. Tomlinson, executor. The estate was not estimated and is left in trust, the net income to be paid quarter-annually to the support and maintenance of her husband, Herbert L. White. On his death, the balance of the estate is to be shared equally among five children, Winthrop K. White and Sidney P. White, Mrs. Marion Henderson and Gertrude White all of Andover, and Mrs. Charlotte Carter of Tewksbury. A memoranda devises certain furnishings of the house to each of the children.

Advises Check-up On Social Security

"It is very important that every person working on jobs covered by the Social Security Act make a special effort to show his social security card to his employer so that he can report the worker's correct name and number just as it is shown on the card," Miss Vose, manager of the Lawrence social security office stated today.

"By checking with your employer, you can be sure you are getting full benefit of your insurance which you are paying for in the form of social security taxes. The wages your employer reports for you are used to determine the amount of your monthly benefit when you retire at 65 or later, or the benefits paid to your survivors in the case of your death," she said.

Women workers should be particularly careful to see that they have a social security card bearing the same name as the one they are using at work, she cautioned. Too often, women workers whose names have been changed for any reason, such as marriage, divorce, etc., continue to work under their new name without changing the name on their card. In such cases, the worker should immediately contact the nearest social security office to change her name on her social security record.

To make doubly sure your social security account is correct, every worker should ask the social security administration each year or so for a statement of wages credited to his account, the manager added.

SCHOOL GUILD TO MEET TONIGHT

St. Augustine's Catholic School Guild will meet in the school hall tonight at 8 o'clock. Mrs. Frank Lee chairman, will be assisted by the fourth grade mothers.

Mrs. Franklin Harrison, a member of the guild, will be the speaker. She will have an interesting story to relate having spent three years in Japan when her husband was stationed there. She will have with her a display of Japanese art in wood carving, lacquer and ivory.

SPOKE ON FALL FLOWERS

Heinrich Rohrbach of Heatherfells, Sunset Rock rd., spoke Tuesday at the meeting of the Framingham Centre Garden club. He chose for his subject "More Fall Flowers for our Gardens". His talk was illustrated with colored slides.

House Would End Trial Justice Jobs

The bill sponsored by Rep. J. Everett Collins to abolish the positions of the state's 10 trial justices was passed Mar. 4 by the house of representatives and sent to the senate.

A group representing the trial justices lost their fight to retain the offices when their move to reject the bill was defeated 131-95 by a roll call vote.

Rep. Collins, in discussing the bill for abolition of the offices said most of their cases involve traffic violations "and these cases are brought in by the cops who often are in cahoots with the trial justice." He said he had no fault to find with the men but with the office. He said the jobs were "political pay-offs and served no useful purpose."

The justices, appointed by the governor of three-year terms, preside in Andover, North Andover, Saugus, Nahant, Marblehead, Barre, Hardwick, Hudson, Hopkinton and Ludlow.

After eight years of providing Thrift Services to the resi-
dents of North Andover, our business in that community has
required expansion to nearly double the space we first occu-
pied in 1944.

We have now remodeled and modernized that office to
bring North Andover residents the very latest in banking fa-
cilities.

A new vault, of up-to-the-minute design, has been in-
stalled to provide added security and to make available Safe
Deposit Boxes in a variety of sizes.

It is the Andover Savings Bank's privilege to serve nearly
3,000 depositors at this North Andover office.

Action Of Voters On Special Articles

Moderator Arthur Sweeney called the meeting to order at 7 p.m. The Very Rev. P. J. Campbell, O.S.A., pastor of St. Augustine's church offered prayer and Selectman J. Everett Collins led the audience in the pledge to the flag.

Town Clerk George H. Winslow read the results of the town election and under Art. 2 Edward P. Hall was re-elected a trustee of the Cornell fund for three years.

Action under the various articles continued as follows:

3. Voted a general wage increase of not over \$5 a week to all full-time employees except the school department and library employees which have their own system of increases.

4. Increase of 20% for BPW employees.

Stricken from ballot.

5. Establish salaries of elected town officers.

The following increases were granted starting Apr. 1: town clerk, \$3800 to \$4060; collector of taxes, \$3800 to \$4060; town treasurer, \$3700 to \$3960; moth superintendent and tree warden,

The high cost of living wouldn't be such a problem if the luxuries of yesterday hadn't become the necessities of today.

Town Appropriates \$1,509,976

(Continued from Page One)

The 1953 figure may be changed by a reduction of \$1400 which the meeting cut from the school budget. The opinion is that the meeting has no authority to cut the school budget. The courts have upheld this contention of other school committees in matters of appropriations for educational purposes.

The official attendance recorded by the precinct officers in charge of the registration lists in the lobby of the Municipal auditorium was 946. The main floor and balcony appeared to be almost completely filled and about three rows of spectators were seated on the rostrum.

In consideration of Article 3 calling for the \$5 wage increase to all full time employees except the school department and Memorial Hall library, Mr. Hardy was called upon to give an outline of the current financial picture. He said the town was "very good financially" with about \$80,000 in free cash above last year. He felt that if the increase was granted and other recommendations followed the increase on the tax rate would not be more than \$1 or possibly there would be no increase.

He said the article filed by the selectmen for a general \$5 increase was the result of various requests as the result of a general cost of living increase.

In answer to John F. O'Connell regarding the proportion of taxes paid by real estate Mr. Hardy said it was about 55 per cent.

The article was approved and the next one calling for a 20% increase in the weekly wage of BPW employees was stricken from the warrant.

Under Article 5 the salaries of several town officers were increased beginning April 1 and under Article 6 the department appropriations were increased to allow for the wage increase for other employees.

Coming to the library appropriation of \$35,827.58 plus the dog tax the finance committee recommended that it be curtailed \$1700 which was asked for repairs and alterations to a room on the second floor. The motion was defeated.

Discussing Article 16 to appropriate \$4000 for a traffic control booth in Elm square Mr. Hardy moved that it be accepted. Mr. O'Connell proposed an amendment that it be postponed indefinitely. Patrolman Roy Russell stated that it had been postponed too long, that it is impossible for one officer now to control pedestrian and auto traffic there, and mentioned the number of children who cross there daily on the way to the library or the theatre. He said the officer in the square had to leave his post frequently leaving no means of traffic control. He hoped the people would take the proposal seriously and act in a way they

think is best for the town.

James F. Robjant, president of the Andover Taxpayers' Assn., said that with the proposed new route 28 it was estimated that about 75 percent of the traffic would be taken from the square.

Mr. O'Connell felt that the square was excellently policed. Rocco Mirisola said that most of us do not realize that there are seven street intersections there, and Heinrich Rohrbach said that if we could "give half a million for the schools we should have \$4000 for our children."

Mr. Hardy said a traffic study by the state would be necessary and nothing could be done without first getting approval by the state. A motion to postpone was lost and the article was adopted.

The proposal to widen Whittier street from Chestnut to the schools and construct a double lane into the parking area in the rear of the schools was adopted.

Joseph A. McCarthy, a member of the special water and sewer committee, speaking for the plan to provide a sewerage system in Ballardvale, said that for some time the Vale has had difficulty in disposing of its domestic sewerage and now it had gone beyond the limits of tolerance. He said the committee had studied many possibilities and the plan recommended was considered best. The article was passed with the provision that \$40,000 be taken from free cash and \$40,000 be raised by assessment.

Supt. Sherman Resigns

Announcement of Kenneth L. Sherman's resignation as superintendent of schools comes as a surprise and somewhat of a shock to the people of Andover.

He has been associated with the school system of the town for so many years that he has become to be regarded more or less as a permanent fixture in it.

As an integral part of its functioning for almost two decades, Supt. Sherman has taken a prominent part in its modernization and enlargement. Among other things he installed the present guidance department, the present reading system, the present writing system and the student government policy in the schools, and has seen the expansion of the system to its present enrollment of more than 2000 pupils with several modern buildings and a highly competent staff of teachers.

Ken Sherman has served Andover well in his capacity as superintendent for the past 14 years and in that time has established a record of achievement in the school system upon which he can look back with justifiable pride.

He has also found time to participate in civic affairs where his fine personality and distinct qualities of leadership have been manifested through his activities with several patriotic, fraternal and social organizations.

Supt. Sherman has made many friends here during the years he has resided in the town. They will regret his leaving Andover, but knowing he is entering a broader and more remunerative field will join in wishing him every success in his new endeavors.

That only 48% of the voters turned out at the election was looked upon by many to be a poor showing, but, as one wag put it, when you consider the number of townspeople in Florida and the number at home laid up with the flu, this was a pretty good vote!

Nature has given us two ears but only one mouth.
— Benjamin Disraeli.

Down the Years with The Townsman

50 Years Ago — March 1903

Charles W. Richardson has been circulating a petition in Ballardvale calling for a change in the status of the Vale post office, making it a sub station of Andover. In that way the Vale would be entitled to carrier service.

William H. Higgins has returned from Maine with 14 high class horses.

The Andover Village Improvement society offers school children 10 cents each for each 100 banks of tent caterpillars brought to the school house and destroyed by the teacher.

The Phillips academy baseball squad had its first outdoor practice last Friday afternoon.

The Andover association football team won the first game of the Grant cup series by defeating the Arlington's of Lawrence last Saturday 4-0 at the Lawrence cricket grounds.

25 Years Ago — March 1928

Andrew McTernan re-elected for his fourth term as selectman. Jeremiah J. Daly elected in hotly contested race for 2-year term as selectman to fill the unexpired term of the late Charles Bowman. Approximately 80 percent of the town's 4451 registered voters went to the polls.

Several brush fires in past few days have kept fire department busy.

Fire in the rear wall of the assembly hall of the Square & Compass club, believed to have started from the heater, interrupted the dancing class being conducted there by Mrs. Edward Nichols last Wednesday. They had time to don their outer wraps before the room filled with smoke. Damage was estimated at \$135.

Shawsheen Village Woman's club presents the comedy "It Happened in June" with the following cast: Ethel Ambye, Maidie Lindsay, Rachael Stickney, Bertha Clark, Carolyn Burt, Anna Blades, Roxie Smith, Helen Schwarz and Mary Moor.

Town officers attend meeting of Andover club and explain articles in the town warrant. The question of appropriating \$13,000 for a new pumper for the fire department came in for the most lively discussion. John Traynor commented that it seemed to him that the pumper always broke down about town meeting time.

10 Years Ago — March 1943

A short and sparsely attended town meeting Monday night appropriated \$646,594 for town expenses for the coming year, some \$4722 less than had been previously recommended by the finance committee.

NEW BOOKS

This I Believe, Murrow.

Men and women will lead happier lives if they deliberately decide what they want from life in material, moral and spiritual things. Here 100 men and women of all walks of life have formulated their feelings on the subject.

Brain Surgeon, Sharpe.

William Sharpe attended German medical schools, was assistant to Dr. Harvey Cushing at Johns Hopkins and worked at his profession in China. His interest and study in the field of cerebral palsy is carefully reported here.

General Education In School and College.

Here is the plan for integrating the last two years of secondary education and the first two years of college, the four years when many students gain most "general education." It is the work of a committee of faculty members of Andover, Exeter, Lawrenceville, Harvard, Princeton and Yale.

I Am A Camera, Van Druten.

A three act play which covers the period in Berlin just before the rise of the Hitler regime.

five members indefinitely postponed.

School committee organizes with Frederick C. Smith re-elected chairman and Arthur R. Lewis secretary.

The Rev. John S. Moses declared winner over Gordon M. Thompson in recount on school committee contest.

Lt. John R. Prindle, 22, of Erie, Pa., an army flier, found near the North Andover-Boxford line 17 hours after bailing out of his crippled plane which crashed near the Towle house on Porter rd., Sunday about 2:30 p.m. Large number of Andover groups aided in search for flier as high wind carried his chute more than six miles after he had bailed out. Prindle suffered fractured pelvis and was reported "resting comfortably" at Lawrence General hospital.

Pictorial History of American Sports,

Large, comfortable book which summarizes the American sport scene from Colonial times to the present. Rare photographs and prints have been used to illustrate.

Leonardo Da Vinci, Clark.

This book originally appeared in 1939, and is now revised for the new edition. It is a beautifully written account of the great artist's life, and is delightful reading, even for those who generally read little about the fine arts.

Bernard Shaw and Mrs. Patrick Campbell; Their Correspondence.

A record of one of the most remarkable friendships in recent history; it is filled with the ups and downs, comedy, gravity and cynicism that one could expect in such a friendship. Covers years 1899-1940.

Norwegian Peasant Art, Arneberg.

The last great period in peasant art in Norway was from 1650-1850. Here are beautifully printed examples of that art, some in color, of both men's and women's handicraft. Excellent source of design for modern craft workers.

I Never Thought We'd Make It, Love.

Another success story of a large family — from Ireland, this time.

Period Flower Arrangement, Marcus.

Fifteen years went into the preparation of this book which treats flower arrangement as shown in various ways — old tapestries, mosaics, even cave pictures. There are eight color arrangements and many prints.

PTSA To Conduct Panel Discussions

The Andover PTSA will conduct a series of panel discussions at the Memorial auditorium Wednesday, Mar. 18 at 8 p.m.

Each panel will consist of a parent, a teacher and a student. Subjects relating to school work will be discussed. All of the subjects have been suggested by the students. A question period will follow.

What's "in the works" at G.E.

GENERAL ELECTRIC
COMPANY

THERE'S MORE IN THIS PAY ENVELOPE THAN GOOD PAY!

When local folks at the Lynn and Everett Works get their G-E pay envelopes, they get good pay. But each pay envelope has a lot more in it than pay alone. G-E employees also get a lot of extra benefits for which G. E. set aside \$18,000,000 last year in Lynn and Everett.

These "extras" cover life insurance, sickness and accident insurance, suggestion awards and paid vacations. Examples of such benefits include the following cases:

Case No. 5136 — Mr. X required hospitalization and surgery for a complicated ulcer condition. He was hospitalized twice for a total of 5 weeks. During his illness he received weekly benefit pay amounting to \$484.29. In addition, he was paid \$692.89 for hospital expense and surgery.

Case No. 1408 — About a year ago Miss Y broke her leg while skiing one Sunday in Vermont. She spent 65 days in hospitals in Vermont, New Hampshire and

Lynn. She was paid \$900.00 for hospital expense including surgery. In addition to this she received \$865.89 in weekly sickness benefits until she returned to work.

What's more, health benefits are only the beginning! Other benefits include an excellent Pension Plan under which 187 local folks retired last year.

In addition, G. E. has an outstanding Savings and Stock Bonus Plan. More than 11,100 local G-E employees have already signed up for this share-owning plan. Under it they buy U. S. Savings Bonds. After a holding period of five years they will collect a bonus of G-E stock equal in value to 15% of what they've invested in U. S. Savings Bonds. In this way G-E employees are saving for a rainy day and become share owners in the company for which they work — one more way that G. E. provides Good Employment.

Pupils Stage 38th Annual Irish Revue

The pupils of Saint Augustine's parochial school presented their 38th annual Irish Revue "Killarney Kapers" Saturday and Sunday, Mar. 7 and 8 in Memorial auditorium. Both performances found capacity audiences well pleased with the program of wide variety of entertainment.

The revue was under the direction of the Sisters of Notre Dame assisted by Miss Beverly Arthur, choreography, and Miss Mary Lanigan, pianist.

The children offered the following program:

Opening Chorus, Irish Medley; Great Day For The Irish, Rose O'Day, Grades 3 and 4 Girls; Echoes Of The Gay Nineties, Grade 5; Specialty Dance, Grade 4 girls; All Yo' Honeys, 3 and 4 grade boys; Operetta "Patty Sue's Birthday Party", pre-primary and Grade 1; On Moonlight Bay, Grade 6; Tulip Time, Grade 2; Specialty Tap, Grade 2 group; Little Bit Of Heaven, Galway Piper, Grade 7; Specialty, Grade 6 group; Son Of An Irishman, Polka, Grade 8; St. Patrick's day; Finale.

The faculty and pupils of Saint Augustine's School wish to take this opportunity to thank Kenneth Sherman, school superintendent, for kindness extended to them during these performances and also thank Fred Collins and Mr. Holt for devotedness shown in stage preparations and helping things to run smoothly during the plays.

Favor Widening Part Of Main St.

Several Andover officials appeared before the legislative committee on highways and motor vehicles at Boston Mar. 3 in support of a plan to widen a 2000-foot length of Main street near Phillips academy. The proposal would eliminate a traffic hazard that exists there at present.

Favoring the project were Rep. J. Everett Collins, Warren L. Peterson, town engineer, Selectman Roy E. Hardy and Henry S. Hopper, comptroller of Phillips academy. Rep. Frank S. Giles of Methuen also supported the proposal.

Speaking for the public works department Richard W. Johnson opposed construction of a four-lane highway at the proposed location. The cost was estimated to run between \$45,000 and \$80,000. He said the public works department intends to start soon on a new Route 28 from Boston to the New Hampshire line which would take 75 percent of the traffic off the present road.

When asked if the project could be carried out under the provisions of the Chapter 90 county aided highway program, he said that the town had been told that if county funds were to be provided for the job it would end contributions for a 10 year period.

VOTE TO JOIN TREE DEPT. WITH BPW

supervising work done for the Lawrence Gas and Electric company by agencies employed by it. This money is retained by the tree warden, and is in addition to the salary fixed for his services as tree warden and as moth superintendent, and paid by the town. The committee has been unable to find out the amount of money paid by the New England Telephone and Telegraph company, but all such services are paid for at the rate of \$15 per day. Consolidation of the tree department with the board of public works should result in this money being paid to the town treasury.

Atty. Bacigalupo read the report of the committee and urged that its recommendation that the tree and moth department be made a division of the department of public works, be adopted.

James H. Buss, deputy tree warden, stated there was close cooperation between the departments and that the manpower of the tree department is fully utilized at all times of the year. He challenged several statements in the committee's report.

Atty. Bacigalupo said that in its study the committee talked for several hours with the tree warden and had investigated consolidations in towns comparable to Andover. He said it would be good business to get this money paid by utility companies into the town treasury and the consolidation would do it.

He further stated in reply to a question that the committee found that in only one case where an employee was paid by a utility company he was off the payroll.

Mr. Buss felt certain that at any time they were paid they were off the payroll. He said he had worked at different times for the utility companies, sometimes Saturday and Sunday always on his own time. He said he could not speak for the tree warden.

Asked for the selectmen's views on the matter Chairman Hardy said that he had the utmost respect for the committee. He said the selectmen had an intimation of the report and started an investigation of its own and on the day the tree warden was taken sick had an appointment with him. Their actions ceased from that time.

The Rev. Frederick B. Noss moved for indefinite postponement

of the article or that it be put on the table. After some further discussion C. Carleton Kimball said, "Dick Abbott is not on trial at this meeting," and added that the only thing being considered was if the interests of the town were better served by consolidation of the departments.

A motion to postpone indefinitely was lost, and a motion to adopt the article was carried.

Punchard Out Of Tournament

Punchard was eliminated from Class C competition in the Eastern Mass. tourney which opened Tuesday at the Boston Garden, by dropping a 46-35 decision to Marshfield.

The Blue Devils with a season's record of 18 straight wins, faced a team that also sported an unblemished 16-0 record.

Marshfield had the better of the play during the first half and was leading 23-12 at the opening of the third period when the locals made a much better showing. They continued in the final period but could not overcome the lead which their opponents had built up in the earlier stages of the game.

Abbot Alumnae Council To Meet

The annual Alumnae council will be held at Abbot academy Mar. 13 and 14. The council consists of the officers of the Alumnae association, class fund secretaries and representatives from the New York and Boston Abbot clubs.

The delegates will visit classes on Friday morning. A meeting and tea will be held at Miss Harsey's home on Friday at which time Miss Harsey will formally greet the delegates and present various members of the faculty. On Saturday morning a business meeting will be held.

Local delegates to the council are: Miss Jane Carpenter, Mrs. Douglas Donald and Mrs. Ernest

L. Wilkinson. Mrs. Reeve Chipman and Mrs. James F. Mathias, former residents of Andover, will also attend the council.

P.H.S. SPORT

Punchard 56, Lexington 51

Punchard wound up its regular basketball season by taking a 56-51 victory over Lexington in a game here Friday night that was close to the final whistle.

A floor basket by Whitley broke a 48-all tie with five minutes to play when the visitors got one point to make it 50-49. Whitley then tallied twice from the foul line and threw in two more from the floor to clinch the game for the Blue Devils and give the team an unbeaten record for the season.

DID SCHOOL BUDGET GET SLASH OF \$1400?

(Continued from Page One)

The finance committee had recommended \$498,690 for the schools. The \$1400 difference, Mr. Kimball explained, grows out of an experiment started last year when linguistic French was started in the third grade on a voluntary basis.

"As far as we can judge that experiment has been successful," he continued. "The school department would like to continue the program but it will no longer be on a voluntary basis, we must employ a teacher."

Charles W. Arnold Jr., acting chairman of the finance committee in the absence of Louis E. Gleason, said the committee thought this was "a step on the frilly

side" and of not much value. "We don't think they will get much out of it."

A motion to cut the \$1400 from the school budget was passed.

With this vote of the meeting Mr. Colquhoun said he felt it was a mandate from the people and the department would discontinue the program.

Under the last article "to transact any other business that may legally come before the meeting," Joseph Serio opened the question again. At this time about 150 people remained in the hall. The question of a quorum being present had been thrashed out shortly before this and it was decided to go on.

Mr. Serio made a motion that the meeting would not consider the vote taken earlier in the evening as a mandate to cease the French program in the elementary grades.

A motion to adjourn was made and lost. This was 11:42 p.m.

Atty. Roland H. Sherman stated that to bring the question up now with so few people here was hardly proper.

After further discussion Mr. Serio's motion was carried.

The meeting adjourned at 11:50 p.m.

The question was revived at the school committee meeting Monday night.

Mr. Colquhoun said that the vote Monday night on the matter of curriculum, which is in the province of the school committee and none other than the school committee, indicated very forcibly that they did not want French taught in the elementary schools. "To me this is a mandate," he said. "In principle I do not agree with them but my stand in the matter is that we should abide by the town meeting decision."

Mr. Kimball agreed with Mr. Colquhoun, adding that "we asked for their decision."

Mr. Colquhoun said that since the town meeting he had received 38 telegrams from people in Andover who were displeased at the town meeting action, also two letters and two phone calls, and just one letter that upheld the vote of the meeting.

Atty. Anna M. Greeley thought there was some confusion in the minds of the people on the subject and suggested that the school committee table the question until more people of the town are heard from. She was not certain it was a mandate.

William A. Doherty thought it might be well to have a ruling from the town counsel.

Mrs. Dorothy Partridge did not feel that the town meeting vote was a mandate to discontinue the program and felt that the committee should wait for a further expression of public opinion.

Mr. Kimball thought that having asked for the opinion of the town meeting "we really have something of a moral obligation to abide by."

Without formal vote it was decided that it was the opinion of the board to lay it on the table and bring it up at another meeting.

As the matter stands now between the school committee and the assessors the former will notify Chairman Hardy whether the budget will remain at \$500,090 as submitted, or at the reduced figure of \$498,690 which was passed at the meeting. This information will be needed before the assessors can announce the 1953 tax rate.

CENTRAL PTA
The Central PTA will sponsor a tea at 3 p.m., Wednesday, Mar. 18 in the Central school. The guests will be the mothers of the fourth, fifth and sixth grades. Mrs. John S. Sullivan is in charge of refreshments. She will be assisted by the class mothers.

ABBOT ACADEMY

Music students of Miss Friskin, Miss Tingley, Mrs. Monbleau, Raymond Coon, and William Schneider will take part in a recital at Abbot academy at 7:30 p.m. Sunday Mar. 15, in Davis hall. Piano, voice, and violin numbers will be included in the program. The concert is open to the public with no admission charge.

A new exhibition opens today in the John-Esther Gallery at Abbot academy, the work of Elizabeth Preston Wilkins, who has lived in the region of the Laurentian Mountains in Canada. She is showing both water color and oils. Her subjects include the village life of the Laurentian region, and country scenes, and in addition she presents a group of still lifes of fine color and power. The gallery is open during the daytime hours, and the public is cordially invited to visit the exhibition. Mrs. Wilkins is a former Abbot student. She is the guest of Miss Mary Bell of 32 Morton st.

After the close of the spring term holiday the school calendar will resume with a number of interesting programs. On April 10, the school will entertain the members of the board of trustees, and on the following week end the parents of students will visit and participate in a program in which members of the faculty take part, and which reaches its climax in the student production of Gilbert and Sullivan's "H.M.S. Pinafore" which will be produced by the combined glee clubs of Abbot and Phillips academies. On May 2, the annual Abbot Birthday bazaar will take place. Miss Dorothy Judd has been appointed chairman of the bazaar committee.

In two major disaster relief operations in the spring of 1952, the Missouri Valley flood and the southern tornadoes, the American Red Cross aided 18,400 families at a cost of \$2,574,200. These were two of the 289 operations in which the Red Cross gave assistance to disaster victims in the 1951-52 fiscal year. To enable it to extend this service to the victims of future calamities, give generously this month to your 1953 Red Cross fund campaign.

DECIDE AGAINST OPEN MEETINGS

(Continued from Page One)

Clerk George H. Winslow a motion was made by Atty. Richard K. Gordon that on this question the voters use the secret ballot. This was voted down.

Atty. Vincent F. Stulgis, first speaker for the article, made a motion that it be accepted and after this was seconded called attention to the fact that congress and the legislature have open meetings and that recently Gov. Hester opened meetings of the governor's council to the public.

Atty. Andrew A. Caffrey spoke in favor of the motion and felt a lot could be learned by the public about town government if they were allowed to attend the meetings.

In answer to a request from the floor that the selectmen state their positions Chairman Roy E. Hardy stated his was fairly well known. He felt the present method was fairer, more constructive and even more democratic than open meetings would be. He said he has asked several people who have appeared before the board if they would have the same freedom of expression if newspapers were represented at the meetings and with one exception all answered in the negative.

Selectman J. Everett Collins quoted some newspaper inaccuracies he had found in connection with the recent election and Se-

Firefighter Exam Coming In June

A state-wide civil service examination for the position of firefighter will be held June 3. The last date for filing applications is May 25.

The examination is to establish eligible lists for fire service and

lectman Sidney P. White said he could not understand why such a fuss was being made about open meetings. "They don't come to the meetings of the board of public works," he said. "Is it because we are lacking glamour?"

When the question was put to a vote there was a fairly good response of "Ayes" but a much louder negative vote which defeated the article.

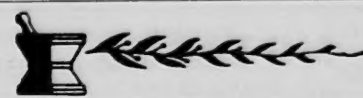

call fire service for all cities and towns of the state classified under civil service.

Any young men interested in taking the examination can get application blanks from Deputy Chief Henry L. Hilton at the central fire station and the latest issue of the "Red Book" manual.

No names are on the eligible list for Andover at the present time.
